Dedication

Mr. John Blassingame

The Cicerone Staff of 1981-82 wishes to dedicate this annual to the band director, Mr. John Blassingame.

His true dedication to the band has been proved year after year by the many hours spent working with them.

The Senior Class of '82 would like to take this opportunity to thank him for his patience and understanding that has been the key to the band's great success every year.

Editor's Note

On behalf of the Cicerone Staff we hope that our book is filled with memories that can be looked back on year after year. As the 1981-82 school year comes to a close, we remember:

Getting to eat off campus
Pep Rallies
Kolache Sale
Jr.-Sr. Prom
Getting Sr. Rings
8-2-0 Football Record
Two Great Basketball Teams
Being the first to graduate from the New EHS.

As each Senior begins a new phase in life we leave you with this advice, "Don't Stop Believing" in yourselves or in your dreams.

Maroon and White

Ennis, ole Ennis, we'll stand by thee,
Faithful and loyal we will ever be,
True to thy colors that stand for right,
Loyal sons and daughters of Maroon and White.
We will always face the conquest with spirits bold
Laurels for ole Ennis High will be our goal.

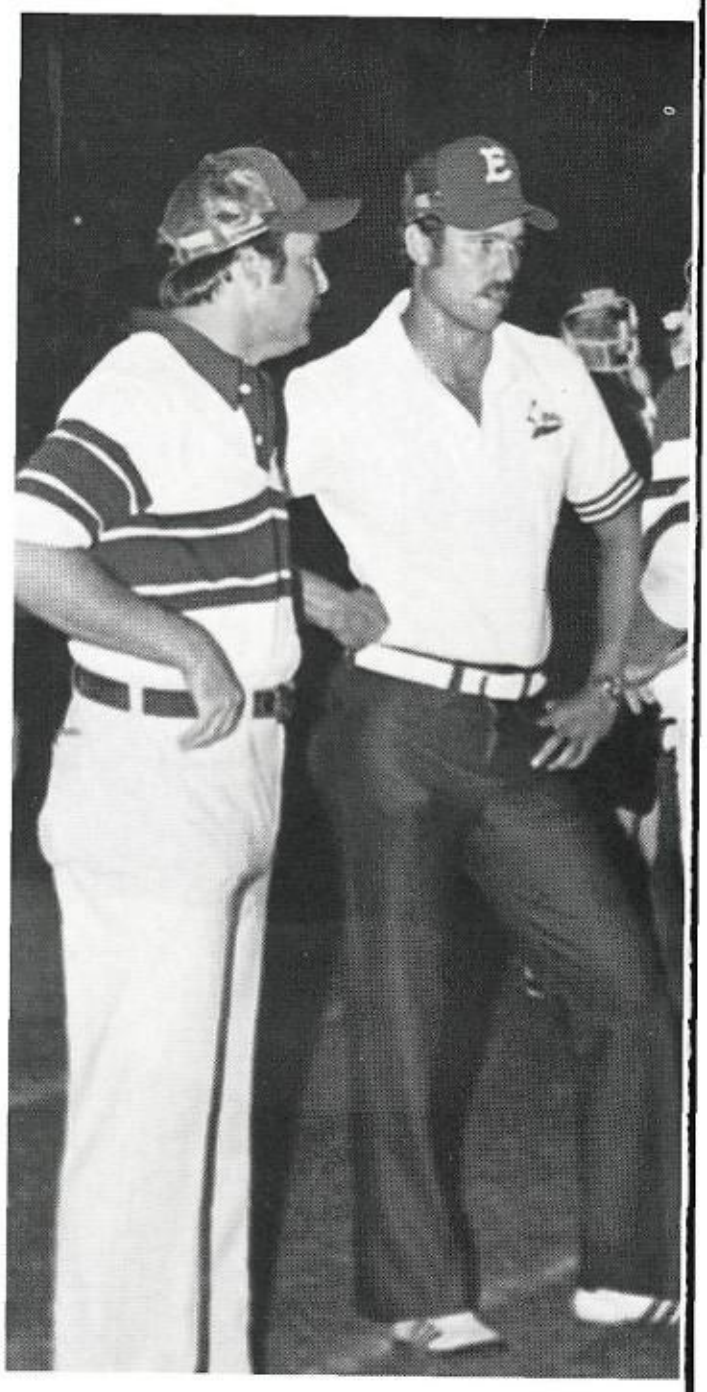
Arranged by Bob Banner
Composed by Thomas Granger

Presenting the Dandee Lion Christmas Special!

"Paige, get over here and twirl!"

"But Kim . . ."

Another exciting day on the Annual Staff.



What do you mean there's no more Skoal?

Say "Cheese"

No. 1 Band Whimps!!

Now we take our time
So nonchalant
And spend the nights
As we did always
We dress our days
In silk and rose
The money comes
The money goes
We know it's all . . .

Wanted Dead or Alive!

Mmm Mmm Good!

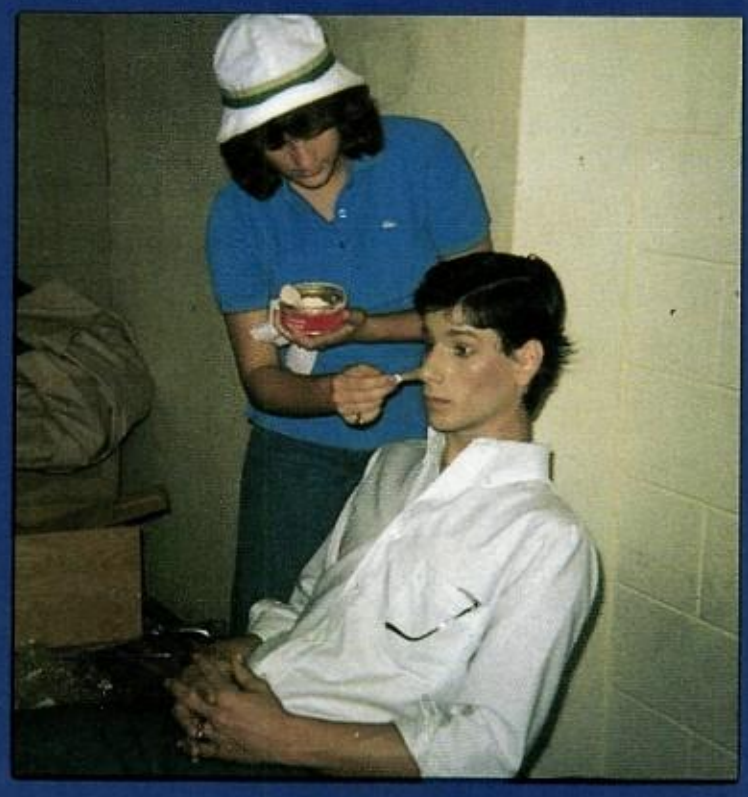
The corner of 5th and Main.

Well, maybe I had a little help.

"Get away with that camera."

"Si-a-lent night"

"I know pizza gives me heart burn."



A little blush goes a long way.

"Pass my Ca-Coca-Cola."

"Yes Darling?"

"I said No!"

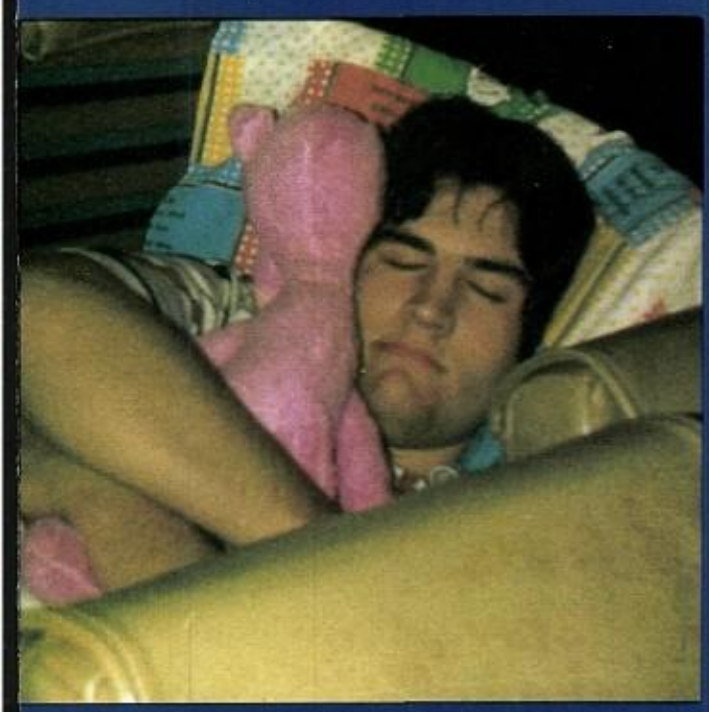
"Be quiet, Jill!"

A passing phase
But I've loved these days
We light our lamps
And work and cheer
We hang our hopes
On chandeliers
We're having fun
We are gaining weight
We're setting goals
And making dates
It's not time to change our ways
But I've loved these days
So before we end . . .

PONDS
For beautiful women?

Party Time!

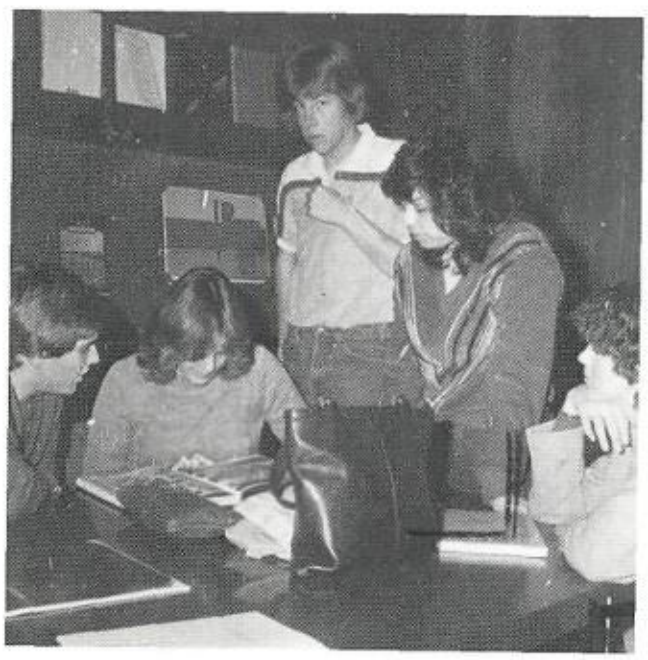
Giche Giche Goo!!



Sleepy Seniors!

A rooster and his chicks?

The EHS VIPs



Annual Staff at work—now *THAT'S INCREDIBLE!!*

Sweet and innocent

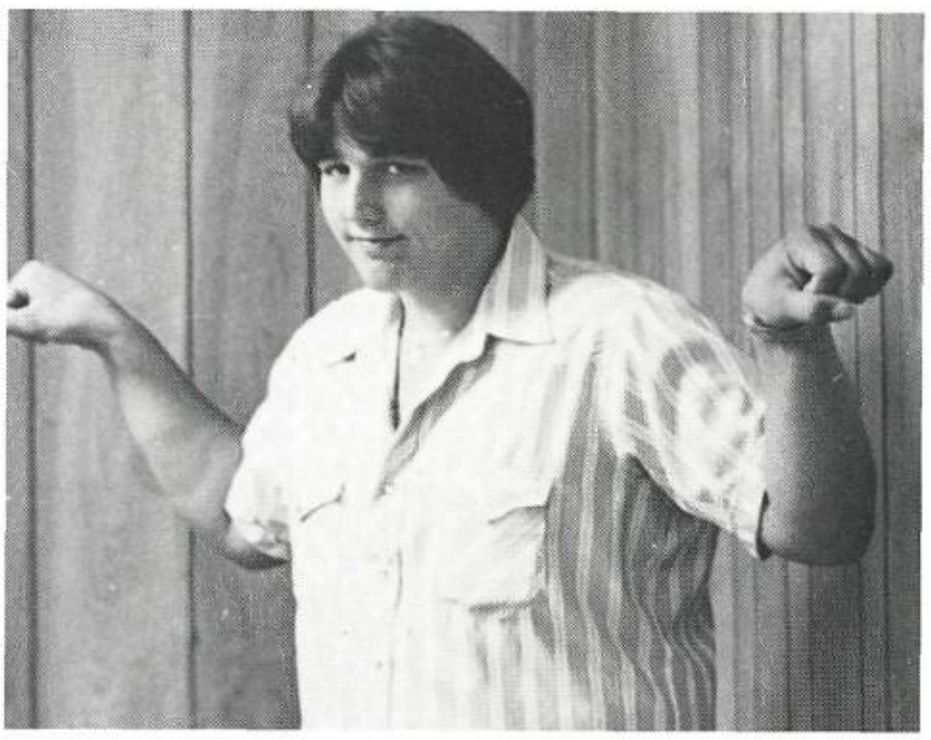
The phantom diner

And then begin
We drink a toast
To how it's been
A few more hours to be complete
A few more problems to defeat
A few more times that I can say
I've loved these days.

We said we didn't do it!

Get it Wade!

Hey! Wait for me.



Mighty Mouse?

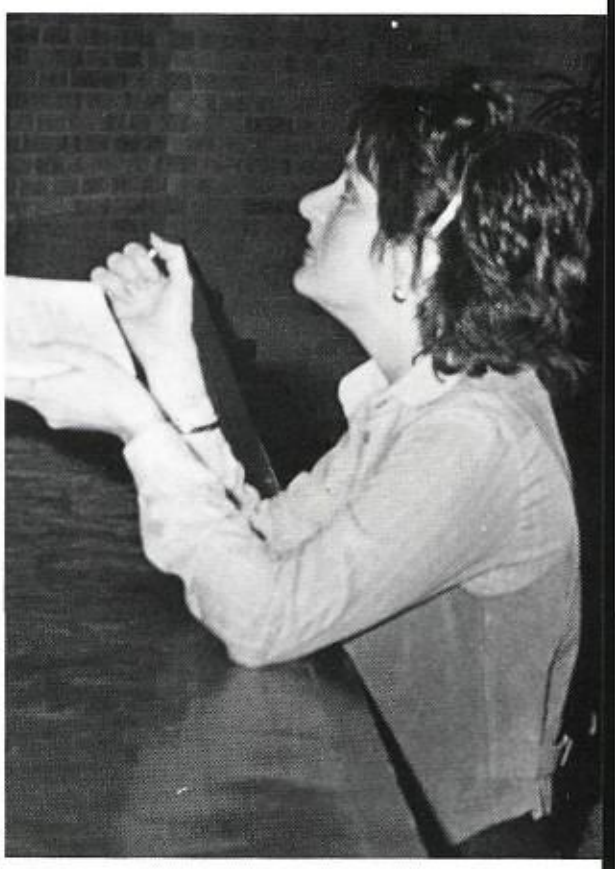
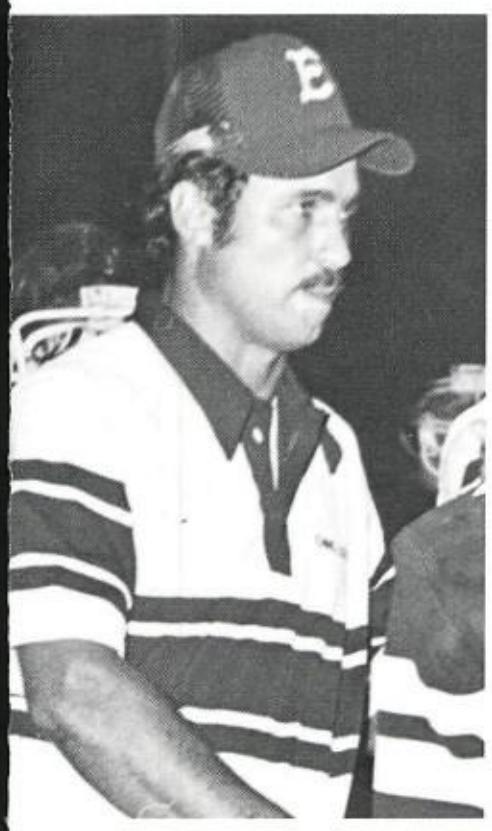
ADMINISTRATION





Who Hath A Book

Who hath a book has friends at hand,
And hold and gear at his command;

And rich estates, if he but look,
Are held by him who hath a book.

Who hath a book, has but to read
And he may be a king indeed:

His Kingdom is his inglenook:
All this is his who hath a book.

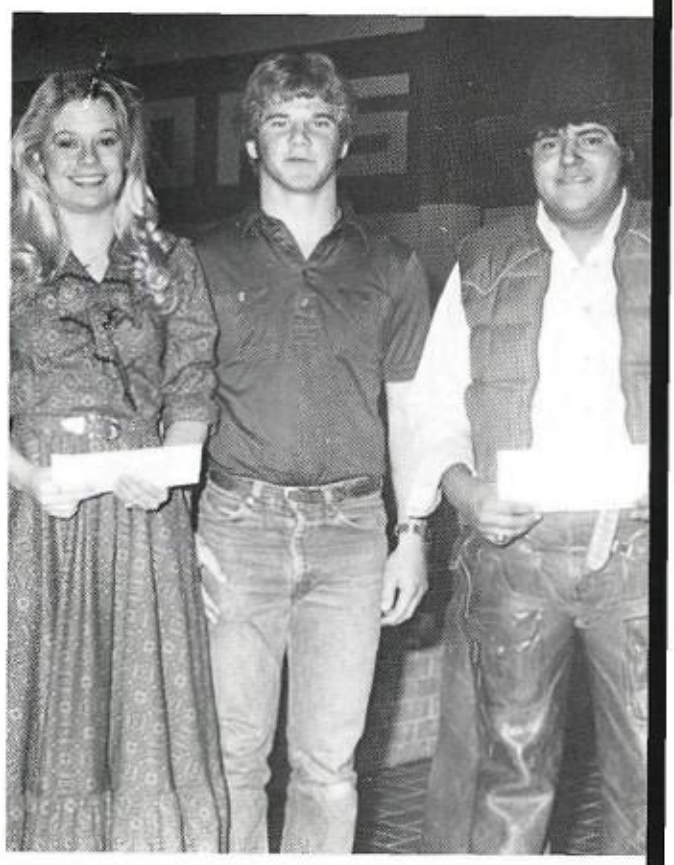
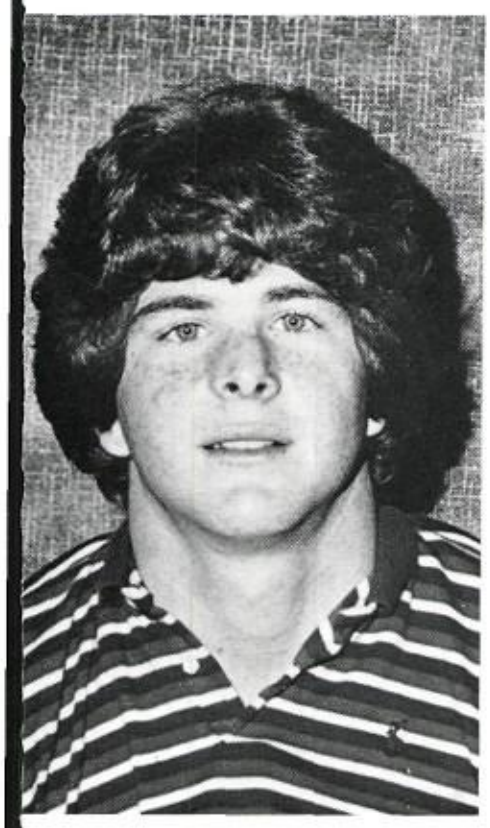
ORGANIZATIONS





Co-Operation

It ain't the guns nor armament,
Nor funds that they can pay,
But the close co-operation,
That makes them win the day.

It ain't the individual,
Nor the army as a whole,
But the everlasting teamwork
Of every blommin' soul.

Sports

A Smile
Let others cheer the winning man,
There's one I hold worth while;
'Tis he who does the best he can,
Then loses with a smile.
Beaten he is, but not to stay
Down with the rank and file;
That man will win some other day,
Who loses with a smile.

Judged By the Company One Keeps

One night in late October,
When I was far from sober,
Returning with my load with manly pride,
My feet began to stutter,
So I lay down in the gutter,
And a pig came near and lay down by my side;
A lady passing by was heard to say;
"You can tell a man who boozes,
By the company he chooses,"
And the pig got up and slowly walked away.

You can help.

You've heard a lot about the need to conserve electricity and all forms of energy. Not only does conservation help save our nation's precious energy resources, it helps you and your family save money since the cost of energy is a big chunk out of most families' budgets. You can help your family by doing your part... make sure you close doors and windows when the heating or air conditioning unit is on; don't "graze" when you raid the refrigerator - know what you want before you open the door; hot water takes energy - try a shorter shower; and make sure the television or stereo is off when you're through with it. Work with your family to save energy now... you'll help make sure there will be enough for everyone when you start a family of your own.

Hold Fast Your Dreams

Hold fast your dreams!
Within your heart
Keep one still, secret spot
Where dreams may go,
And, sheltered so,
May thrive and grow
Where doubt and fear are not.
O keep a place apart,
Within your heart,
For little dreams to go!
